2. RECITALS

WHEREAS, Client desires to retain Developer to perform software design, coding, database modeling, and deployment services to construct the UBR Esports Tournament Platform; and

WHEREAS, Developer agrees to perform these software development services in accordance with the terms and specifications set forth in this Agreement.

3. SCOPE OF SERVICES

Developer shall design, build, and deploy the UBR Esports Tournament Web Application. The core deliverable specifications include the following modules:

- User System: Google OAuth integration, secure registration, user profiles, and virtual wallet tracking.
- Tournaments: dynamic category sorting, match lists, slot limits, and live slot booking capabilities.
- Financial Ledger: wallet balance deposits via screenshot validation and withdrawal dispatch via UPI/QR code.
- Admin Panel: full dashboard control to approve transactions, manage standings, and upload results.
- Leaderboards & Tables: live points tables with responsive, cloud-hosted banners.

4. FEES, PAYMENTS, & DEPOSIT TERMS

Client agrees to pay Developer the total sum of INR 57,000 (Fifty-Seven Thousand Rupees) for the completion of the Scope of Services. Payments shall be released in accordance with the following milestone schedule:

1. Advance Payment: 40% (INR 22,800) due upon the execution of this Agreement.
2. Milestone Payment: 40% (INR 22,800) due upon completion of booking and wallet modules.
3. Retainage Payment: 20% (INR 11,400) due upon successful deployment, testing, and handoff.

5. INTELLECTUAL PROPERTY RIGHTS

5.1 Ownership of Deliverables: Upon full and final payment of the contract fee, the ownership of all source code, database structures, interface layouts, and configuration assets created specifically for the UBR Esports Platform shall be assigned exclusively to the Client.

5.2 Pre-existing Materials: Developer retains all rights, titles, and interests in any proprietary libraries, reusable frameworks, or third-party open-source components utilized to build the system.

6. CONFIDENTIALITY & DATA SECURITY

6.1 Confidential Information: Developer acknowledges that during the performance of services, they will have access to Client's proprietary data, including user records, balance statistics, transaction IDs, and tournament plans. Developer agrees to maintain strict confidentiality and not disclose any such data to third parties without prior written consent.

6.2 Credential Protection: Developer shall handle api keys, Cloudinary credentials, and MongoDB connection strings with standard encryption protocols and shall never publish them in public version control repositories.

7. WARRANTIES, LIABILITY & SUPPORT LIMITS

7.1 Standard of Care: Developer warrants that all software developed under this Agreement shall be constructed in a professional manner using standard web programming principles.

7.2 Limited Support Warranty: Developer provides 30 days of complimentary technical support from the date of deployment. This support covers critical bug fixes, logic corrections, and server config adjustments.

7.3 Exclusions: Developer shall not be responsible for issues arising from third-party api changes (such as Google OAuth changes, Cloudinary policy modifications), user database manipulation by the Client, or hosting downtime.

7.4 Limitation of Liability: Under no circumstances shall Developer be liable for any indirect, incidental, special, or consequential damages (including loss of profits, data, or reputation) arising out of the use or inability to use the platform.

8. TERM & TERMINATION

8.1 Term: This Agreement shall commence on the Effective Date and shall remain in effect until the completion of the Scope of Services and full payment is received.

8.2 Termination for Convenience: Either party may terminate this Agreement by giving 7 days written notice to the other. In such event, Client shall pay Developer for all completed milestones and hours worked up to the date of termination.

8.3 Termination for Cause: Either party may terminate this Agreement immediately if the other party breaches any material term and fails to cure such breach within 5 business days after written notice thereof.

9. GOVERNING LAW & DISPUTE RESOLUTION

9.1 Governing Law: This Agreement shall be governed by, interpreted, and enforced in accordance with the laws of India, without regard to its conflict of law rules.

9.2 Resolution: Any dispute, controversy, or claim arising out of or relating to this contract, including its formation or breach, shall first be settled through amicable negotiations. If negotiations fail, disputes shall be submitted to the competent courts of the developer's jurisdiction.

10. MISCELLANEOUS

10.1 Entire Agreement: This Agreement, together with the project quotation, represents the entire agreement between the parties and supersedes all prior discussions, emails, or draft proposals.

10.2 Severability: If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.
